Community Health Clinic Ole

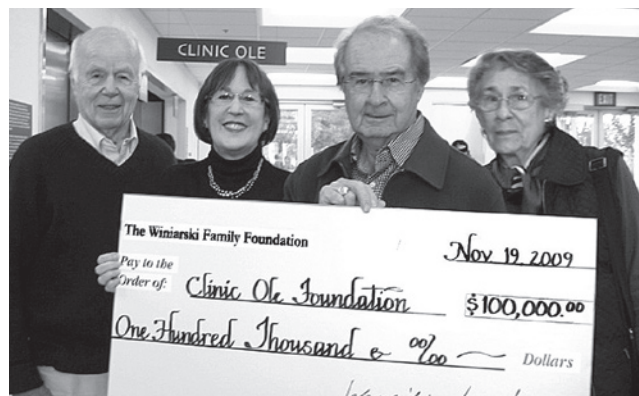

1141 Pear Tree Lane,
Suite 100
Napa, CA 94558
(707) 254-1774 ext. 218
Fax (707) 251-2995
www.clinicole.org
foundation@clinicole.org

Community Health Clinic Ole is the medical and dental home for Napa County's underserved, providing high-quality, affordable, compassionate and culturally sensitive primary health care.

Clinic Ole Foundation Receives Major Gift

Warren and Barbara Winiarski recently made the largest single donation in the history of the Clinic Ole Foundation. Their \$100,000 gift will be used, along with a grant from the American Recovery and Reinvestment Act (ARRA), to purchase a modular clinic unit to be placed adjacent to Clinic Ole's main clinic on Pear Tree Lane in Napa.

"Clinic Ole fills a huge need in our community by providing quality, affordable health care to those less fortunate," Warren remarked. "I have admired the work Clinic Ole does for many years. Barbara and I established Stag's Leap Wine Cellars with our children in the early 1970's about the same time as Clinic Ole began in Rutherford. It is a testament to their founders that Clinic Ole has continued to serve

(L to R): John Shafer, Beatrice Bostick, Warren and Barbara Winiarski

now for more than 35 years, providing medical and dental services to people who would otherwise go without health care."

"Warren and Barbara's gift is extraordinary," noted John Shafer, President of the Clinic Ole Foundation. "It will help provide six additional exam rooms in Napa. When we built the 25,000 square foot Napa Valley Vintners Community Health Center in 2002, we did not anticipate that Clinic Ole would outgrow its space as quickly as it did." The Clinic provided nearly 68,000 patient visits last year, 55,000 of these in Napa alone.

Executive Director to Retire

Beatrice Bostick, Executive Director of Community Health Clinic Ole since 1998, will retire in January 2011.

Beatrice has spent the past 12 years shepherding Clinic Ole through phenomenal growth and change. In 1998, the Clinic provided 3,000 patient visits per year. Today, the Clinic has become the medical and dental home for over 24,000 low-income patients

and provides over 65,000 visits annually. With Beatrice at the helm, Clinic Ole moved into the Napa Valley Vintners Community Health Center, became a Federally Qualified Health Center, expanded services in Calistoga, increased services to the homeless, created a behavioral health program, implemented an electronic health record system and brought Sister Ann Dental Clinic and Healthy Moms and Babies under the Clinic

Ole umbrella. Beatrice will be enjoying her retirement with her husband in Taos, New Mexico.

A transition committee, chaired by board member Peter McCrea, will work with other board members, staff and CompassPoint Nonprofit Services to identify the challenges as well as the skills our new Executive Director will need in order to assure our continued success. We expect to start our search by July 1.

The Advisory Council is composed of donors who regularly contribute \$10,000 and above to support Clinic Ole.

Did you know?

Clinic Ole has a Napa Pharmacy Assistance Program that helps low-income patients apply for no or low cost prescription medications from pharmaceutical companies. The program is open to all Napa County residents who income-qualify, regardless of whether they are Clinic Ole patients. This program is supported by grants from Napa County Tobacco Settlement. For more information, please contact Natividad Macias at 707-254-1781.

CLINIC OLE CHILI BALL

Save the date

2010 Clinic Ole Chili Ball
Saturday, August 21
5 to 9 p.m.
Charles Krug Winery,
St. Helena.

Get ready to enjoy an evening of fabulous food, great wine and dancing under the stars, all while supporting Clinic Ole. Invitations will be mailed in June.

No room for the latest vintage in your cellar?

If you would like to donate wine from your personal collection to the Chili Ball, please call us at 707-254-1774 ext. 218 or e-mail foundation@clinicole.org. We'll be happy to pick up your wine donation.

Cinco de Mayo at the Oxbow

The Oxbow Public Market has selected Clinic Ole as the recipient of funds to be raised during their upcoming celebration of Cinco de Mayo on Wednesday, May 5. Plans include live Latin music and vendor specials throughout the Market, with proceeds and donations benefiting Clinic Ole. More details are available at www.oxbowpublicmarket.com. THANK YOU OXBOW! Viva la fiesta!

Thank you, Dr. Mary Cooke!

Dr. Mary Cooke, a local orthodontist and long-time volunteer at Sister Ann Dental Clinic, is very busy these days with her private practice and the arrival of her first child. While she will no longer be able to volunteer at Sister Ann, she continues to provide a valuable service to our young patients with severe malocclusion (abnormal alignment of teeth.) These severe cases can result in children being too embarrassed to go to school, or having trouble eating. We refer these children to Dr. Cooke who is often able to fit them with an inexpensive retainer that will help guide the teeth into better alignment, improving both their health and their self-esteem. We honor Dr. Cooke for her commitment to our community.

California Primary Care Association (CPCA) Honors Dr. Robert Moore

Clinic Ole's Medical Director, Dr. Robert Moore, was recently recognized for his dedication, commitment and leadership in improving the health and wellbeing of underserved populations in Napa and surrounding communities. CPCA's announcement stated: "In addition to being an exemplary family physician, Dr. Moore has served as an agent of change in a variety of statewide quality improvement efforts. This includes his leadership positions as Chair of the CPCA Clinicians Committee and Standardized Measures Group and his active support in advancing the work of the Accelerating Quality Improvement through Collaboration (AQIC) project." We congratulate Dr. Moore for receiving this distinguished honor!

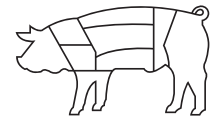

Health Care Reform

The full impact of Health Care Reform on community clinics is still unknown. As a federally qualified health center, we could see some increases in federal funding beginning in fiscal year 2011; however, this funding represents only about 6% of our total operating budget. When the insurance pool goes into effect in 2014, some of our currently uninsured patients may be able to afford health insurance. But, due to the shortage of primary care physicians, we expect to continue to see increased demand for services from these newly insured patients. We do know that thousands of Napa County residents will continue to rely on Clinic Ole for high-quality, affordable health care, and we will continue to need your support to be able to meet that need.

Project Homeless Connect

Last November, Clinic Ole and Sister Ann Dental Clinic participated in Project Homeless Connect, a one-day intensive outreach to Napa County's homeless population at CrossWalk Community Church. The event was organized by the Homeless Services Planning Council for Napa County and Community Action Napa Valley (CANV), with dozens of local providers offering job development, drug and alcohol counseling, mental health services, hot meals, and hair cuts, just to name a few of the services. Clinic Ole and Sister Ann provided medical and dental screenings to 120 people in just 5 hours. More than 300 volunteers were there to help the 300 homeless adults and children who attended. Planning is underway for the 2010 Project Homeless Connect. If you are interested in participating in or sponsoring the 2010 event, please contact Charlene Horton, CANV, at 253-6103.

Save another date!

On October 9, Ad Hoc will host a Harvest Party, with proceeds being donated to Clinic Ole. According to Nick Dedier, General Manager, "Ad Hoc — inspired by a collection of delicious and iconic family-style meals, perfectly paired wine, and a gathering of community — chose Clinic Ole as the recipient for the seasonal event because of the organization's ongoing dedication to help people in the valley in need of medical care." The event will include an array of music played by local house bands, a four course Ad Hoc style menu, and a selection of Napa and Sonoma wines. More information will be available soon. This is an event you won't want to miss!

Behavioral Health Expanded

We are pleased to welcome Christina (Tina) Zoppel, MSW, LCSW, as the new manager of Clinic Ole's Behavioral Health Department. Tina has 30 years experience in the behavioral health field, both as a clinician and in management. She comes to us from Family Service of Napa Valley where she served as Associate Director and as co-chair of the Healthy Aging Population Initiative (HAPI). Tina's work has included founding the Satellite Housing Program, coordinating a collaborative child abuse treatment program, managing senior services and integrating behavioral health at CARENetwork Queen of the Valley, Community Outreach's medical case management program.

Clinic Ole's integrated behavioral health program was implemented in 2004 to address the many factors that impact a patient's ability to carry out his medical provider's advice. The behavioral health team assesses patients' mental health, substance use and ability to manage chronic illnesses and then consults closely with medical providers on a treatment plan. Behavioral health staff follow up with patients over time providing education, support, brief behavioral interventions and community resources to help patients address their needs. "The goal of the behavioral health program is to help medical providers understand the bigger picture of what a patient is grappling with and to provide patients with the support they need to be successful," noted Zoppel.

Thank you to our 2009 Donors!

The Clinic Ole Foundation, a 501 (c) 3 Type I supporting organization, was established in 1996 as the private fund raising arm of Community Health Clinic Ole. The funds raised by the Foundation provide Clinic Ole with operating funds, support special projects and are being used to build a \$4M reserve fund to support the Clinic's invaluable services to the underserved.

The Board of the Clinic Ole Foundation and the staff, patients and Board of Community Health Clinic Ole and its divisions - Sister Ann Dental Clinic and Healthy Moms and Babies - extend a huge THANK YOU to the hundreds of individuals, businesses, corporations, patients and family foundations who supported us during calendar year 2009. These gifts received in 2009 from almost 550 donors totaled over \$690,000.

The Foundation is providing Clinic Ole \$400,000 this fiscal year ending June 30, 2010 to be used for general operating support.

Community Health Clinic Ole is the medical and dental home for Napa County's underserved, providing high-quality, affordable, compassionate and culturally sensitive primary health care.

Wells Fargo Horse Trots into Healthy Moms!

Healthy Moms and Babies Manager, Kathy DeMaggio (r), RD, CDM, happily receives "Al", the legendary Wells Fargo pony, from Christopher Cappetto and Leona Charfauros. Chris, a Clinic Ole Foundation Board Member and Leona, both

representatives from Wells Fargo Business Banking in Napa, presented "Al", one of the original horses used to pull the Wells Fargo wagons around downtown Denver in

the 1800's. He'll now be one of the gifts available at Healthy Moms' Sweet Baby Dreams gift shop. Clients earn points throughout their pregnancy by attending education classes and visits with their social workers and dietitians, as well as their final postpartum visit. Clients then use these points to "purchase" gifts including clothes, diapers and supplies for newborns. Healthy Moms welcomes cash donations to help them purchase gift shop items. Contact Kathy at 707-252-6541.

Donations from all around the Valley

Yaneth De Loera, Program Assistant in Clinic Ole's Behavioral Health Department, receives a \$500 check from Diageo Chateau & Estate Wines presented by Manuel Ruiz, a cellar worker at Provenance Vineyards

in Rutherford. Diageo sponsors a program called Zero Harm, which encourages their employees to work safely with no injuries or missed days of work. Every month employees pick a non profit organization to donate money to, in return for no injuries in the work place. In January Manuel picked Clinic Ole and the employees were successful in working safely that month. THANK YOU MANUELI!

Once a month, the Unitarian Universalist Fellowship of North Bay selects a local organization they would like to support and invites them to speak at their weekly service held at the Napa Boys' and Girls' Club. Money from the collection plate that day is donated to the organization in what is called "Share the Plate." Recently, the Fellowship invited Maria Stel, Clinic Ole's Development Director, to speak. "It was an honor to speak to such a caring, involved group of individuals. We are very grateful for their support," said Stel.
